

GCCA: Capacity building for negotiators

■ The idea

Use the opportunity of GCCA conferences to link policy discussions and concrete implementation

■ Objective of this session

Discuss and provide input for designing a capacity-building program for African negotiators

GCCA: Capacity building for negotiators

■ Questions to steer the debate

- What are the 3 main constraints facing African negotiators in the climate change area?

Quelles sont les 3 principales contraintes pour les négociateurs africains sur le changement climatique?

- What needs could be effectively addressed in a capacity building program?

Quels besoins pourraient être effectivement couverts au sein d'un programme de renforcement des compétences?

- How would you prioritise them? Quelles seraient les priorités?

- What would be the key principles of such a programme?

Quels seraient les principes de base d'un tel programme?

- Is there a specific EU added value (re. other programmes)

Y-a-t-il une valeur ajoutée spécifique dans une approche UE?

- Any other issues? D'autres questions?
